

## IP55 1000lm High Lumen LED Plant Grow Lights Energy Efficient 120° Beam Angle

### Our Product Introduction

for more products please visit us on [led-lightsbulb.com](http://led-lightsbulb.com)

#### Basic Information

- Place of Origin: Shenzhen. China
- Brand Name: NCJ TECH
- Certification: CE
- Model Number: NPL01
- Minimum Order Quantity: 100 pcs
- Price: Negotiation
- Packaging Details: White box + Outer box (K=A)
- Delivery Time: 1: Sample and small order: Within 7 working days after receiving your payment. 2: Bulk order: 3-4 weeks after receiving your deposit.
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs per month

#### Product Specification

- Power Consumption: 10W
- Input Voltage: 5V
- Beam Angle: 120°
- Lumen: 1000lm
- IP Rating: IP55
- Highlight: **IP55 LED Plant Grow Lights, LED Plant Grow Lights Energy Efficient, 1000lm High Lumen LED Grow Light**

## Product Description

### 5V LED Plant Grow Lights 1000lm 120° Beam Angle

#### Product Description:

LED Plant Growing Lights are a new type of energy-efficient lighting technology designed for optimal plant growth. With power consumption of only 10W and input voltage of 5V, these lights provide bright illumination at a beam angle of 120° with a luminous flux of 500lm. The long lifespan of 50,000 hours ensures that these LED plant growth lights will stay with you for a long time, making them perfect for plant cultivation. Whether you're a professional gardener, a hobbyist, or just looking for a way to make your favorite plants flourish, LED Plant Growth Lighting is the perfect solution.

#### Technical Parameters:

Brand Name	NCJ TECH
Input Voltage	5V
Beam Angle	120°
Power Consumption	10W
Lumen	500lm
Brightness Mode	25% 50% 75% 100%
Timing Setting Mode	3h 6h 12h

## 4 Dimming Levels

### Support and Services:

LED Plant Grow Lights provides technical support and services to ensure customer satisfaction. Our technical support team is available to help with product installation, troubleshooting, maintenance, and repair, as well as providing product information and advice. We also offer a variety of training and education opportunities, including product seminars and workshops, to ensure customers are able to use our products effectively.

We are dedicated to providing the best customer service and strive to ensure that our customers have the resources they need to get the most out of their LED Plant Grow Lights. Our team is available to answer questions and provide advice on a range of topics, from installation and operation to maintenance and repair. We also provide comprehensive warranty and repair services for our products.

### Packing and Shipping:

Packaging and Shipping

Our LED Plant Grow Lights are packaged securely in strong cardboard boxes and then shipped using a reliable courier service. We offer free shipping on all orders with a delivery time of 1-3 days.
