Product Description

6500K Remote Control LED Pool Lighting System for Enhanced Pool Visibility

Product Description:

Our Swimming Pool Lights LED is a perfect choice for pool lighting fixtures. It is made of high quality ABS material, which is durable and lightweight, making it ideal for outdoor swimming pool use. This LED pool lighting system features a 45° beam angle, 5W/10W waltage and 900LM luminous flux, providing excellent brightness and energy saving performance. It is easy to install and great for illuminating the poolside or improving the ambiance of your outdoor living space. The LED poolside lights are waterproof and dustproof, making them suitable for all kind of weathers.
